

## Handyman Services

Quickstep Organizing specializes in small- to medium-sized handyman and building improvement projects, as illustrated below:

### Structural Repair:

Our assistance related to structural repair may include interior wood working, dry walling, and remodeling. This may include flooring, walls, ceilings, and doors in offices, homes and garages.

### Electrical, Plumbing, and Finish Carpentry:

Our electrical services may include testing wiring, replacing switches, or replacing ceiling fixtures and lamps. We are ready to assist with plumbing, kitchen and bathroom repair issues. Our assistance with finish carpentry may involve work working, molding, windows, dry wall, painting, sanding, adding stairs, railings, refinishing, trim work, and cabinetry.

### Affordable Custom Woodworking:

Assistance with custom woodworking may include affordable custom design for furniture and cabinetry in office and home remodeling projects such as room and garage makeovers.

We at Quickstep Organizing are ready to assist with projects that range from painting to plastering, lighting to layout design and renderings, dry walling to deck construction, fencing to faucet repair, along with removal of debris and recyclable materials. We do what it takes to get the job done!
